## TO WHOM IT MAY CONCERN

This is to certify that **Krishna Agarwal** was associated with **Thriving Journey Pvt Ltd** as a Full Stack Developer. He initially joined us as an Intern on 10th April 2024 and, due to his exceptional performance, was offered a part-time employment opportunity, and worked with us till 31st March 2025.

During his tenure with us, Krishna primarily worked on our product Rainforest.zone, utilizing Next.js technology to develop and enhance its front-end interface. He demonstrated strong problem-solving skills, a keen eye for design, and the ability to work effectively in a fast-paced environment. His contributions to UI/UX improvements and performance optimization played a significant role in enhancing the user experience of our platform.

Krishna is a dedicated and passionate developer who quickly adapts to new technologies and works efficiently both independently and within a team. His commitment and enthusiasm made him a valuable part to our organization.

We appreciate his contributions to our team and wish him the best for his future endeavors.
